To whom it may concern,

I am writing to you as I am concerned about the request by Organic Food Markets to alter their access time for traders and trading start time to an hour earlier, 6am and 7:30am respectively. The issues with parking and traffic are dangerous and significant. Cars are parking across bus stop zones and driveways. With all the extra traffic driving along the surrounding streets this type of behaviour can be hazardous to pedestrians and other vehicles.

The current agreement and timeframe has been working for all parties, locals residents and the markets.

It is unfair to impact the local community and residents further for the commercial gain of the Organic Food Markets.

Regards,

Courtney & Trevor
