RE: Mod2021/0203 - 1102 Barrenjoey Road PALM BEACH NSW 2108

Having grown up to palm Beach wharf ever day over the years I have watched many changes take place but have loved that the set of two shops, Barrebnoey house mad the fish and chip shop have pretty much stayed the same. A massive building will ruin the iconic street scape and just look plain ugly. This is a definite no from me. Leave things the way they are!!!
