RE: DA2020/0442 - 231 Whale Beach Road WHALE BEACH NSW 2107

I have been a visitor to Whale Beach for many years now and have always loved the quiet, more modest atmosphere, than that of its neighbour, Palm Beach.

I was appalled to see the scale of this proposed DA.

It is a total overdevelopment not only of the site but it will irrevocably change what most people treasure about Whale Beach in the first place.

It will also set a hideous precedent for the ever circling developers.

"Whale Beach Neighbourhood Centre" indeed!

What are we aiming to create here?

Another Gosford?

Going, going gone.....

Take heed.
