Conflict of Interest risk assessment

Does a potential conflict of interest exist:	<p>The proposal is for a shop top housing development seeking access to its basement via the multi level Council carpark on 4 Bungan Lane.</p> <p>Council owns 4 Bungan Lane. While no <i>major</i> works are occurring on 4 Bungan Lane, the development is seeking minor works on this land to allow access to the proposed basement parking under 1749-1753 Pittwater Rd.</p> <p>Council has not been involved in the preparation of the application, however, Council’s Property Team has issued owners consent for the lodgement of the DA.</p> <p>The applicant would need to enter into an agreement with Council to create a right of way and constructed any works necessary to gain the access. There is potential that this may involve financial arrangements and Council could gain financially from this development.</p>
