Hi,

I'm a resident of Pacific Waves in Manly.

I'm writing to object to the development application DA 2022/0662 63 THE CORSO MANLY  
Manly has enough bars and entertainment places. Already attracts tourism and its charm resides in the lovely setting and local community. Having a place open until 3am with drunk people wondering around and the name of Hard Rock Cafe will be a shame as community.

Please reject this DA.

Thank you,

Illlyane.
