RE: DA2020/1756 - 353 Barrenjoey Road NEWPORT NSW 2106

To whom it Concerns,
I object to the current development for Robertson Road .

This street has the potential to be a charming place that favours pedestrians and not cars.

The proposed vehicle entry means a pedestrian plaza, as envisaged, would be impossible.

Because it is close to the beach, Newport shopping area is popular with tourists. What could set Newport Village apart from any old beachside shopping area, is a charming pedestrian plaza.

Let's make it Robertson Road !
