RE: DA2019/1119 - 4 / 0 Bennett Street CURL CURL NSW 2096

I strongly object to the proposal for a weekly Market at Harbord Bowling Club. We the residents, already have serious parking and traffic movement every weekend due to sporting activities in John Fisher Park, Weldon Oval Harbord Bowling Club. Families with young children walk to the park, and footpaths are inadequate. The streets virtually become one way (we have contacted Council in the past to make parking one side in Bennett Street from 8am to 4pm Weekends) this would help. The disturbance of this market/fair would cause great inconvenience with very little benefit to residence.
