Subject: 37 rose berry street manly vale 2093

northernbeaches.nsw.gov.au

To whom it may concern.

I am against this application for various reasons as I will list.

More traffic around the area and roundabout on Kenneth road.

Unsafe for young children and teens crossing to use the Macdonald's with excess of traffic.

Added noise at evenings and weekends to residents living nearby

Brookvale Macdonald's have police and security patrols every weekend because of gatherings and trouble.

More litter around that area.

A fast food isn't needed in the area when there is one 300 meters away.

Thank you for listening to my concerns

Susan Kemp

Manly Vale resident
