Waste Management Plan

Re:

Proposed Eclipse Motorised Opening Louvre Roof Patio Cover

At:

22 Cynthea Road Palm Beach 2108

For:

Robyn & Gordon Lang

Waste

There is an existing patio cover that will be disassembled and remain on site for future sale by the client.

Waste will be minimal as the proposed Motorised Opening Roof is pre-cut to size in the factory and delivered to site in kit form thus generating very little if any waste. Any waste that may be generated is returned to the Opening Roof Specialists' yard and is placed in our aluminium recycling bin.

As the material is pre-cut in our factory there is no need for a skip bin on site.

Site Management

The site will be managed by the Opening Roof Specialists licence number R89937. We have all necessary insurances required.
