RE: Mod2019/0618 - 18 / 99 Alfred Street NARRAWEENA NSW 2099

I have been a daily customer of micheal and Sahara for years!
As a person who is on the road early for work usually around 6-00 am the cafe has always been very convenient to grab my morning coffee as do many others.
As I have to travel on Warringah road it's difficult to stop anywhere on the way to work! I have always been very aware of them asking customers to be quiet as possible as not too disturb neighbours!
I'd ask council to strongly consider this application they are both hard working decent people and an invaluable part of the narraweena community..
