RE: DA2020/0442 - 231 Whale Beach Road WHALE BEACH NSW 2107

Please reconsider this development as it very much goes against the spirit of the Northern Beaches. We have the reputation of glorious beaches and I am proud to be able to take my gorgeous children to this spectacular beach. It is spectacular due to the fact that it is not overpopulated. This beach was never meant to be crowded which is why the roads are so narrow. So dangerous to overpopulate. Please help us save our beaches from over development. We do not want another Gold Coast.
