RE: DA2019/1274 - 70 South Creek Road DEE WHY NSW 2099

Dear Council, DA2019/1274

I have lived in Parkes Road, adjacent to the playing oval at Pittwater House Schools for 20 years.

I have looked at the plans for the development at the school, but not being an architect and having poor eyesight when looking at a computer screen for any great length of time, I must admit that I do not really understand them.

My only concern is the lack of on sight parking at the school. School days every single space on both sides of Parkes Road up to Westmoreland Avenue is taken up by school parking. I know it is people from the school parking there as it is empty during school holidays. Parkes Road is a very narrow road for the amount of traffic, including buses, that it carries every day. They must be made to provide parking for all staff and visitors on their own premises.

Thank you very much
Georgina Hewitt
