Re; Mod 2024/0681-PAN-493946 - Response to Request for Further Information for Section 4.55 Application

Address; 4 Southern Cross Way Allambie Heights NSW

Dear Sir/Madam

Further a request for further information please find below my comments in regard to the section 4.55 Application currently being considered by council.

I am the author of the arborist report dated 27.06.2020 (Ref AIA-JACZAC) which was submitted to council, and I understand that council adopted the recommendations of that report within the original Notice of Determination.

I have now reviewed the revised plans Issue D dated March 2025 which have been submitted in conjunction with a Section 4.55 Application and can confirm that these plans do not any way influence or change the outcomes, recommendations as contained within the original report.

Should you require any further information on this matter please contact Anthony James at your earliest convenience.

Kind regards
