RE: Mod2020/0655 - 197 Sydney Road FAIRLIGHT NSW 2094

Supportive feedback to this DA.

Dear Kye,

I am writing to show my support to Mod2020/0655. I believe this development will reflect positively on Fairlight area and its demographics.

This is only a modification for an approved DA last year and that will improve the traffic at Fairlight area and it will support local businesses "i.e. restaurants, Laundries, Doctors,"
Also, this DA will protect landlords from losing businesses and breaking down leases from impacted businesses.

I seek your understanding in my feedback and to approve this modification to get construction underway quickly
thanks Magdy N.
