RE: Shadow diagrams that form part of Development Application for Alterations and Additions at 10. Weeroona Ave, Elanora Heights.

As an Accredited Building Designer (no.6593) I hereby certify that the shadow diagrams submitted as part of the enclosed Development Application are correct and accurate. The site and building have been modelled in a 3D Cad software program using the levels provided from a land surveyor which are recorded in the survey provided.

Best regards,

Michelle Layland
