Subject: Ref. DA2021/1039- 14/16 Wyatt Ave. Belrose 2085

Proposed Boarding House

I would like to register a strong complaint with regard to the above mentioned proposal.

Belrose is a beautiful suburb with wonderful tranquility.

The proposed development will impact adversely on this tranquility not to mention greatly increased traffic and once a development of this kind is allowed it will be the beginning of many similar proposals.

Thanking you
