**RE: DA2024/0375 - Abbott Road NORTH CURL CURL NSW 2099**

Hi Jordan

As a long time South Curl Curl club member I wish to provide a letter of support for the DA application to extend the opening hours of the cafe in the morning to 6.00am, as this will allow people to access the services of the Cafe before the standard working day. The extended hours will enhance the enjoyment of the community experience for locals and provide additional amenity for the many of those whom walk and run adjacent the Cafe site every morning from about 4.30am onwards.
