To whom it concerns,

Regarding the development on Lot 2 DP 1248056 – Mimosa Development in Warriewood.

The residents of Baz Retreat, Warriewood are seeking to have a solid timber wall erected between the development site and our street to minimise the amount of noise and dust being blown into our street. The rest of the site has a solid fence, we would like the same fence erected along our street.

The site manager is aware of the request and responded with a flimsy advertising banner attached to fence that is now falling down and is causing a dangerous situation for pedestrians.

Regards,
