RE: DA2022/2281 - 80 Undercliff Road FRESHWATER NSW 2096

I live directly opposite Pilu at Freshwater. I understand that this application is to formalise the existing number of its patrons.

I have not been affected adversely by noise from Pilu Restaurant or its function centre. Those who run the restaurant ensure that all possible measures are put in place to keep the noise to a minimum, so as not to disturb their neighbours.

The restaurant managers donate generously to local charities and community events and employ many local people. I think the managers should be supported as they try to recover the business lost through COVID.
