Officer comments

Council's Landscape Referral is assessed against the Pittwater Local Environment Plan (PLEP) clause C4 zone Environmental Living, and the following Pittwater 21 Development Control Plan (PDCP) controls (but not limited to):

- B4.22 Preservation of Trees and Bushland Vegetation
- C1.1 Landscaping
- D3 Bilgola Locality

The site is located in the C4 Environmental Living zone, requiring development to achieve a scale integrated with the landform and landscape, and to minimise impact on the natural environment with ecological, scientific or aesthetic values, including the retention of natural landscape features and existing trees, to satisfy the landscape objectives of the C4 Environmental Living zone.

The proposed development works relate to alterations and additions as described in the reports and as illustrated in plans. A Arboricultural Impact Assessment is submitted identifying that the proposed works impact upon three trees (tree 14, 17, and 18). Tree 14 is within the proposed building footprint and should the application be approved there is not concerns raised for removal. Trees 17 and 18 are both exempt species as listed in the PDCP and may be managed or removed without Council consent.

Landscape Referral raise no concerns.

The proposal is therefore supported.

Note: Should you have any concerns with the referral comments above, please discuss these with the Responsible Officer.
