Planning Certificate – Part 5

ePLC2022/03679

The following is information provided in good faith under the provisions of Section 10.7(5) of the *Environmental Planning and Assessment Act 1979* (as amended – formerly Section 149) and lists relevant matters affecting the land of which Council is aware. The Council shall not incur any liability in respect of any such advice.

Persons relying on this certificate should read the environmental planning instruments referred to in this certificate.

Company Title Subdivision

Clause 4.1 of the *Pittwater Local Environmental Plan 2014*, *Warringah Local Environmental Plan 2011* or *Manly Local Environmental Plan 2013* provides that land may not be subdivided except with the consent of the Council. This includes subdivision by way of company title schemes. Persons considering purchasing property in the Northern Beaches local government area the subject of a company title scheme are advised to check that the land has been subdivided with the consent of the Council.

District Planning

Under the Greater Sydney Regional Plan – A Metropolis of Three Cities 2018, the Greater Sydney Commission sets a planning framework for a metropolis of three cities across Greater Sydney which reach across five Districts. Northern Beaches is located within the 'Eastern Harbour City' area and is in the North District which forms a large part of the Eastern Harbour City. The North District Plan sets out planning priorities and actions for the growth of the North District, including Northern Beaches. Northern Beaches Council's Local Strategic Planning Statement gives effect to the District Plan based on local characteristics and opportunities and Council's own priorities in the community. The Local Strategic Planning Statement came into effect on 26 March 2020.

Council Resolution To Amend Environmental Planning Instrument

Additional Information Applying To The Land

Additional information, if any, relating to the land the subject of this certificate:

The Draft Northern Beaches Section 7.12 Contributions Plan 2022 applies to the land.

General Information

Termites

You are advised that Australian Standard 3660.1 - Protection of Buildings Against Subterranean Termites, recommends that buildings are inspected and maintained in order to achieve total termite control. In the regard, you should contact a licensed pest control contractor to ensure all necessary termite controls are achieved.

Flood

Information available to Council indicates properties within the catchments of Manly Ocean Beach, North Head, North Harbour, Manly Lagoon and Middle Harbour, may be flood affected. This includes parts of the suburbs of Balgowlah Heights, Clontarf, Manly, Manly Vale, Fairlight, Balgowlah and Seaforth. It is important to note this information may be used by Council for development assessment purposes. Please contact Northern Beaches Council for further information.

Climate Change

Recent evidence indicates that climate change as a result of global warming is occurring much more rapidly than previously expected. Climate change will vary in its effects across Australia. As well as affecting homes, climate change may affect infrastructure, commercial and industrial buildings and other physical assets. Climate change may affect coastal areas, in particular, through sea-level rise, increased temperatures, and changed storm events. The effects of climate change may impact on the future use and development potential of the land that is the subject of this certificate.
