Subject: DA2023/1532 15 Ocean Rd Palm Beach

Dear Adam Croft (Principal Planner),

I would like to lodge an objection to this DA.
The size and scale of the build is excessive, 13.6 meters
and 4 stories....7 bathrooms.
This corner is one of few historical features left in Palm Beach.

The excavation will no doubt blemish the landscape for ages.

I have lived at Palm Beach on and off for 65 years and
have the deepest affection for the place. I now live in Avalon
but still walk and swim at PB 4 times a week.

Yours sincerely,
Philip Begg
