Dear Northern Beaches Council,

I would like to voice my support for Hugos DA submission DA 2020/0962.

Hugos has been a well-run venue in its iconic location for over 12 years, and as much as it has been an asset to the Northern Beaches community, it has also been a great drawcard for both intra-city day visitors and tourists, helping to establish Manly as a destination.

I believe this DA will support local business, local employment and as mentioned, tourism. Particularly in this current COVID environment, I fully support outdoor dining in Manly, which is sorely lacking.

I wish Hugos the best in their endeavours to continually improve their offering to the public.

Kind regards,

Tracey Mietzke
