Dear Ms Wilkinson

Re. Preliminary non statutory notification of proposed rezoning for Sector 9 of Warriewood Valley Urban Land Release (R0001/08)

Thank you for the invitation to comment on the above proposal

Warringah Council raises no objection to the proposed rezoning of Sector 9 which is generally in accordance with the Warriewood Valley Land Release Draft Planning Strategy

However, Warringah Council would like to take this opportunity to request that should the land be rezoned, any development is required to apply all appropriate safeguards and standards, including management of water quality and quantity, to ensure the environmental protection of Narrabeen Lagoon both during and after construction

Warringah Council also requests that any development be required to apply appropriate safeguards and standards so that the dry or wet weather overflows from Sydney Water's Warriewood Sewerage Treatment Plan do not increase as a result of this additional urban development

Should you have any queries or wish to discuss this matter please contact me (Mondays, Tuesdays, Thursdays) on ph 9942 2330 or kadesc@warringah.nsw.gov.au

Yours sincerely

Caroline Kades
Senior Strategic Planner
