**RE: REV2022/0024 - 394 Barrenjoey Road NEWPORT NSW 2106**

Please do whatever you can to retain the existing surf club but develop it to serve the community better. My understanding is State Planning has suggested an alternative structure be built. This is ridiculous and not in keeping with what the community wants. It is cheaper to amend the existing building which has deep historical ties to the area. Please insist that wasting money stops, allow this development to proceed. Thanks, Brooke Logan
