RE: DA2024/1091 - 5 / 1 Careel Head Road AVALON BEACH NSW 2107

I don't think that anyone has undertaken a study if the traffic situation at the intersection of Barrenjoey Rd and Careel Head Road. Buses continually use Careel Head Road to turn left onto Barrenjoey Rd causing blockages across both roads as the bus needs a large area to turn in..usually across to the other side of the road. During peak times the intersection is dangerous as cars turning into Careel Head Road stop abruptly is turn into the shops blocking both roads...this happens now...how bad will it be when there is a Dan Murphy's an A childcare centre. There is flooding everyone there is heavy rain. Dreadful for small business with Cranzgots, No nonsense gym, Oliver's pies and the chicken shops closing for a multi national company. So much for community.
