**RE: Mod2016/0017 - 11 Farnell Street CURL CURL NSW 2096**

Further to the submission we made which was delivered to Council today a NSW Land and Environment Court hearing was held today before Justice Pain. We wish to inform Warringah Council that the Court has ordered a mediation hearing for 29 March to determine the matters listed in our submission regarding breaches of DA consent, trespass, and damage to our property due to inadequate drainage.
