To The Planning Panels, Northern Beaches Council  
and  
Local Member for Pittwater Robert Stokes

I am writing to you as a resident of Newport, a rate payer of 40 years, a local shopper and a daily visitor to Robertson Road supporting the local cafes, restaurants and shops. I have to air my outrage and anger if the above development is allowed to go ahead in its present form. The negative impact on Robertson Road, in particular in relation to the traffic access to and from the development in question, will be horrendous. If this development is allowed, it will create a serious precedent for future unsightly developments, of which we already have plenty in Barrenjoey Road!!!! Our peaceful Robertson Road is a hub of immeasurable benefit for our local community. Let us keep that in mind when planning the future for this area.

PLEASE DON'T LET THIS DEVELOPMENT GO AHEAD IN ITS PRESENT FORM!

Sincerely,  
Susanne Brint,  
(local resident)
