RE-REZONING R0002/10

DEAR SIR/MADAM

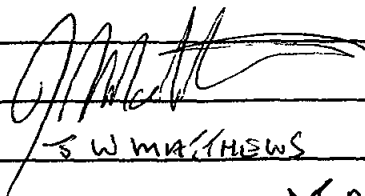

WE WOULD OBJECT TO THE REZONING OF PLOT 39
GARBAGE TREE ROAD, AND BELIEVE THE COUNCIL HAS IN THE
PAST BEEN CORRECT IN MAINTAINING PRIVATE RECREATION'S
OF SAID LAND FOR THE FOLLOWING VITAL, IMPERATIVE, REASON

- PUBLIC SAFETY VIS-A-VIS ROAD TRAFFIC
- SAYING THIS SECTION OF GARBAGE TREE IS OF PARTICULAR
INTEREST OF 'OBSTACLES' OF ALL MANNER AND TYPE OF
VEHICAL
- SPEED LIMITS ARE ALL TOO OFTEN IGNORED
- IT WOULD BE MOST UNSAFE TO INTRODUCE ANOTHER
ENTRY/EXIT ON THIS SECTION OF THE ROAD
- THERE HAVE BEEN A NUMBER OF FATALITIES IN
THE NOT TOO DISTANT PAST
- IT WOULD BE OF INTEREST TO KNOW THE VIEWS
OF YOUR COLLEAGUES IN TRAFFIC DIVISION
- THE AREA IS ALSO A MINI WILD LIFE SANCTUARY
BIRDS AND ANIMALS ALIKE
- PLOT 39 AND SURROUND - SUSPECT TO FLOODING
- MISDIRECTED GOLF BALLS - AND WE NEIGHBOURS
GET PLENTY OF THEM - ANY BUILDING ON THE LAND
WILL EFFECTIVLY BE ON THE ^{GOLF} COURSE ITSELF YET

ANOTHER DANGER, AND AN ACCIDENT WAITING
TO HAPPEN.

- WE PURCHASED OUR PROPERTY (48) AS RECENTLY
AS 2005. HAVING SEARCHED COUNCIL GOVERNANCE
OF SAID PLOT, AND PURCHASED ACCORDINGLY.

YOURS SINCERELY

S.W. MATTHEWS
