RE: DA2019/0123 - 80 - 82 Mona Vale Road MONA VALE NSW 2103

I would like to make a comment on the DA 17387. I am a trader with the organic food markets, so they provide employment for myself and other people. It's also really important to acknowledge the positive impact the markets have on the community. The opportunity to buy fresh organic produce from the supplier and the social interaction of meeting friends and having a really enjoyable day. I personally think a market at the Mona vale RSL would be beneficial for everyone.
