Subject: Fwd: DA2021/0189 Lot 80 DP 36616 78 Karingal Cres, Frenchs Forest

Dear Sir/Madam

I am the owner of 80 Karingal Cres, Frenchs Forest and I would like to object to the DA submitted for 78 Karingal Cres.

The house is a huge monstrosity which will cast a shadow over my property blocking Northern sunlight to my house and backyard. There is also numerous windows looking into my kitchen window and yard.

I apologize for the late submission as I had misplaced the paperwork.

Please call me to discuss on 0418-406-175 – I am a licensed builder and am well aware of the effects this building will have on my property.

Kind Regards

Richard Marden
