**RE: DA2021/1164 - 521 Barrenjoey Road BILGOLA BEACH NSW 2107**

Dear Council

My family are expressing concern over the proposed DA for 521 Barrenjoey Road. While we are not ones to oppose peoples right to build their homes the size and scale of this development is unsuitable for the location. The impact on the main arterial road Barrenjoey Road will be significantly impacted during construction, and more importantly this bushland is a refuge for our local wildlife and is also home to the endangered *Asterolasia elegans*. We urge council to reject the DA in its current form. Thanks David
