RE: DA 2019/0123 80 – 82 Mona Vale Road, Mona Vale NSW 2102

I live right across the road from the RSL Club and strongly object to this proposal of having markets in the RSL Parking Lot.

I am in the building industry and work 6 days a week 12 hours a day. Sundays is my only day off. The day of rest. To have these markets is absolutely ridiculous.

When the club has events my driveway is always blocked by their patrons. I can't seem to imagine what it will be like when they will have these markets here with 90 stalls. The noise will be horrendous because Sundays in the Valley is so quite and peaceful. That means we will have stall holders coming early, trucks with their generators and cars parked anyway they can because this parking lot is too small for these stall holders, their cars and the customers cars.

Markets should not be held in parking lots not next to ones door step. There is a place for markets away from neighbours and in a proper place with ample parking and away from neighbours. We have one at Rat Park on Fridays, we do need this one in a car park. Please go to St. Ives Showground or next to the Aquatic Centre at Narrabeen plenty of room away from any neighbours.

Don't let the RSL Club ruin my Sundays and the surrounding neighbour's Sundays. Reject this proposal. Its enough I have to listen to the loud Futsal players during the week .
