RE: DA2020/1167 - 9 Francis Street DEE WHY NSW 2099

This development won't be beneficial for the community around it for the following reasons:

- * it's already over crowded
- *busy street
- *no parking available
- *it will complete block the sun from our houses on 7 Francis st.
- *its not something needed in the area.

I hope this project is not approved.
