RE: DA2020/0661 - 7356 / 1167221 Huston Parade NORTH CURL CURL NSW 2099

There were plans some years back to construct a Tower on Harbord Bowling Club property. These were successfully opposed. Then there was a tower to go up on council Land on the Former North Manly Bowling Club. My mobile phone already works great I don't need another tower. Leave some space for the wild life. I also do not need any more microwave radiation. I object to this proposal most strongly.
