RE: DA2020/1163 - 24 Wandeen Road CLAREVILLE NSW 2107

This dwelling is far too big for the block and the destruction of native habitat and trees is unconscionable in an area like this. The height of the building is excessive and too imposing for the surrounding dwellings. I heard you to reject this application and encourage the applicants to plan something more considerate and sympathetic to the environment.

Regards

Tracey Trinder
