RE: DA2021/2173 - 394 Barrenjoey Road NEWPORT NSW 2106

As a club member who uses the club 4-5 times a week I fully support the much needed extensions to the club. The club plays an integral part in the community and due to its success, it has outgrown the storage and amenities it needs to provide. The bathrooms inside the club are outdated and don't function well. The exterior amenities are also inadequate, cold and drafty especially in winter as we experienced these last two winters due to Covid restrictions. The overall layout, entries and exits need better planning for able and special needs patrons. It needs an upgrade and I fully support the clubs plans. Please endorse these so the community will benefit.
