RE: DA2020/1163 - 24 Wandeen Road CLAREVILLE NSW 2107

I have attempted to find any significant change to the original development application at 24 Wandeen Road Clareville that would address in any way my, (or those of others), objections to this over development, a development that would appear in a number of instances to break various development regulations, but I have been unable to find any.

I will be extremely disappointed in council if it fails to resolve the issues raised by the many objectors to this application.

Sincerely

Rod Bashford
