Subject: Attention Maxwell Duncan, REV2022/0004 Intention to Object

Dear Maxwell,

REV2022/0004 16 Bangaroo Street

I understand that Council will re-notify this application once the raft of inconsistencies with plans and reports has been addressed by the applicant.

I wish to put my intention to object on the record and will make my full objection once the corrected information is re-notified.

I have previously objected to this proposal on grounds of road safety, the parking issues it will cause, the noise for a residential neighbourhood and also the terrible precedent this sets to turn a residential zone into a commercial zone. I continue to object on these ground and will formally object again once all the applicant has addressed the inconsistencies in the application.

Kind regards,

katie Ward
