Subject: Submission re NBC DA Mod2021/0983 231 Whale Beach Road Whale Beach 2107

I would like to object to NBC DA Mod2021/0983 for 231 Whale Beach Road, Whale Beach that seeks to increase the capacity of retail patrons and staff from 70 to 182. What a ridiculous proposition! Keep the community as it is please. Nobody wants this. We do not need any more large scale venues. As a member of the area since birth, I fully support the decision to keep capacity at 70 patrons and staff.
