Submission in relation to Application REV2019/0014

We are the owners of Units 1 & 2 at 1 Skyline Place, Frenchs Forest.

We support this development application as there is a shortage of new seniors living accommodation in the Frenchs Forest area and believe this is an excellent location due to its proximity to the hospital and the new town centre. Currently anyone in the area wanting to move into seniors living accommodation will most probably have to move out of the area away from friends and relatives. This is an attractive building which will provide a high standard of living for its occupants. I don't believe the amount of traffic generated by the new building will be any more than the current level of traffic generated by the building that will be demolished. The separate driveway access to the building should resolve any issues with separating the seniors living with the traffic movements to the other properties in Skyline Place.
