**RE: DA2018/1708 - 195 Sydney Road FAIRLIGHT NSW 2094**

I would like to object to the development DA2018/1708. The development is over development of the site and not in keeping with the area. Traffic congestion is already an issue along Sydney road. The type of development will result in a transient population and not families which are established in this family friendly suburb. This seems like a development purely aiming to make money for the developers who do not care what happens in our community or the appearance and lifestyle of the surrounding established residents.
