Warringah Golf Club has been a wonderful recreational facility that provides the local Northern Beaches community with an sporting outlet to come together and be social. I totally support the clubhouse as it provides an opportunity to sustain the social fabric of the club members and local community. This social outlet will benefit the community wellbeing, be family orientated. The clubhouse replaces the old Warringah Golf Club House and also the old North Manly Bowling Club so in fact there will be one less licenced premise than there used to be only a few years ago. I also understand the club is committed to no poker machines, though personally I felt it would have been fair enough for them to have some given past local club did.

This new facility has sufficiently also catered for required parking and will be ample for the demand from Golfer and club users.

Please can the WC approve this clubhouse to proceed so that it can be built without further delay.
