ATTENTION Stephanie Gelder

Dear Stephanie,

We put in a submission online yesterday, but have sent this email so we could upload photos of our place, and the building at 50 West st that is the subject of DA 2022/0438

Apologies if my quality is poor, but I hope you can see the current position of the balcony at no. 50, with a number of photos taken from well inside our residence, to display what vision we currently have of the existing balcony.

I will send 2 emails, for the complete set of photos,

Regards, Robyn and Richard Wallace, 52 West St Balgowlah
