RE: DA2020/1758 - 11 Lewis Street BALGOWLAH HEIGHTS NSW 2093

I wish to strongly object to this development. We live near the end of the path between Lewis Street and Radio Ave. Parents dropping children and picking them up will use Radio Avenue to park so they can use the path up to Lewis Street. Part of Radio Avenue is very narrow, with parking on both sides. There is barely room for a large car to drive down the road when the parking is full. Currently parents make access to our driveway very difficult at drop off and pick up times. On many occasions they park in our driveway or park across the entrance. If we now have the addition of all hours pick up and drop off it will become extremely difficult. Vision is not easy in our street, and it is not always easy to see small children. I should hate to see some small child dash out from between cars into traffic.
