Subject: DA2020/1039 BUS DEPOT IN JUBILEE AVE, WARRIEWOOD

This e-mail is to raise an objection to the construction of a bus depot in Jubilee Ave, Warriewood. We have a business located in the Quattro building in Daydream Street, Warriewood and already there is significant traffic congestion at certain times of the day and in particular in the afternoons from Monday to Friday from 3.30pm to 5.30pm. Adding a significant number of bus movements each day will only make matters much worse. In addition it is already difficult for our staff to get parking in the street at times!!!!!!

Who is the intended operator of this bus depot? Is it Forest Coach Lines or Sydney Buses? No mention is made in the DA, why?

With Kind Regards, Warwick

Warwick Kitt (New Business Manager)
