**RE: DA2021/1805 - 4 Alexander Street COLLAROY NSW 2097**

I fully support the submission to improve the Collaroy Beach local area in a well planned strategic way. There are many run down old buildings that are only good for coffee shops and low rental uses adding further to the petty crime and social disturbance that some people think is good for the area. I don't. We need to support those who want to improve the area for the good of the whole community. This is not overdevelopment but a well thought out plan which will improve the local area. Please allow the 4 Alexander street submission to proceed to approval.
