To Whom it May Concern I have been looking at the website re the Proposed subdivision at No. 4-8 Forest Road, Warriewood (No. R0001/05) and I only have one comment to offer. I live in Macpherson Street and note that there is a high school in Forest Road where there is a congestion of traffic in the mornings/afternoons so my main concern is the increase of cars on Forest Road.. Is there going to be any other way of entering this subdivision as I think Forest Road is too narrow to take all the extra traffic. Regards Jo Jackett 111 Macpherson Street Warriewood. NSW 2102
