RE: DA2020/0393 - 28 Lockwood Avenue BELROSE NSW 2085

This is a submission for the development at 28 Lockwood Avenue Belrose.

I am totally in favour of this development and council should support this as it will create much needed jobs.

The development will add much needed amenities to the local area. I live not far from this location and the sooner it is developed the better as currently there is lots of grafitti and loiterers in the the location.

The development will provide an area for families to enjoy the park proposed for this site -
