RE: DA2020/0514 IB Bollingbroke Parade, FAIRLIGHT

I have reviewed the resubmission of the above DA having submitted my initial objection.

I remain very concerned about noise, the environment, parking and access in the surrounding area which have not been adequately addressed in the revision.

The noise of the deck, the impact of the structure on the surrounding environment and the impact to local neighbours on parking remain my issues.

Thank you for considering these factors.
Pam Smith.
